

IT IS THE FINDING OF THIS COURT that this action should be continued for the following reasons:

(1) The defendant, whose attorney has signed below, through his counsel, has requested additional time to consult with counsel and in order to allow the opportunity to meet with the Government to discuss the charges and review pre-indictment discovery;

(2) The United States and the defendant have jointly represented that the parties desire additional time to discuss a pre-indictment resolution to this matter, which would render any subsequent trial of this matter unnecessary; and

(3) Pursuant to Title 18, United States Code, Section 3161(h)(7), the ends of justice served by granting the continuance outweigh the best interest of the public and the defendant in a speedy trial.

IT IS, therefore, on this 5th day of September, 2018,

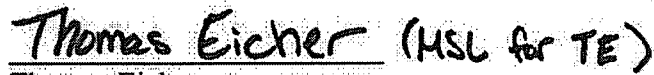

ORDERED that this action be, and it hereby is, continued from the date hereof through and including November 6, 2018; and it is further

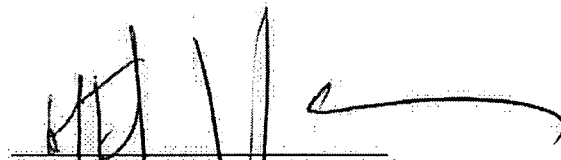

ORDERED that the period from the date hereof through and including November 6, 2018 shall be excludable in computing time under the Speedy Trial Act of 1974.
